No.1 [Aya:] John, tell me what you did yesterday.

[John:] Of course, Aya. Here is the picture of my friends and me. We played baseball in the park.

[Aya:] Oh, you played it very well in the picture. Did you have a good time?

[John:] (チャイム)

No.2 [Aya:] Hello, John. This is Aya. Can you hear me? I need your help, John.

[John:] Yes, I can hear you, Aya. What should I do, Aya?

[Aya:] I want you to carry the books I borrowed from the library last week for our homework. They are too heavy.

[John:] (チャイム)

No.3 [Aya:] John, I think you have so many letters in your hand. Would you like a hand?

[John:] Yes, please, Aya. These are birthday cards for my friends in America, but I don't know how much I have to pay for these cards and the way to the post office near here.

[Aya:] OK. I have to go there to buy some stamps for my mother. Will you come with me?

[John:] (チャイム)

次に、問題②に入ります。問題②は、No.1とNo.2があります。それぞれ同じ高校に通うKenとBettyの対話を放送します。対話の内容を聞いて、問題冊子に印刷されているそれぞれの質問の答えとして最も適するものを、問題②の指示にしたがって答えなさい。まず、問題②の指示を読みなさい。それでは、始めます。対話は2回ずつ放送します。

No.1 [Ken:] Betty, we will have a winter holiday next month. I can't wait for it!

[Betty:] Me, neither. Where will you go this winter vacation?

[Ken:] I will go to Australia to swim at the beach. How about you?

[Betty:] I will go to Australia, too. I'd like to see the animals living there. Also, I have never

been to Australia, so I have butterflies in my stomach, too!

[Ken:] Butterflies in your stomach? We're talking about the winter vacation and Australia. Does it have a special meaning?

[Betty:] Yes. It means that I am feeling nervous.

No.2 [Ken:] Betty, did you watch *The Music Program* on TV last night? Your favorite singer

was on that program and he sang a new song.

[Betty:] Oh, no! I missed it, Ken. You had to tell me about it before the program.

[Ken:] I'm sorry, Betty. What were you doing then? You watch it every week.

[Betty:] I was doing my math and English homework, because I wasn't able to finish both. I hope I can watch it somehow. I want to hear his new song.

[Ken:] Betty, I recorded that program, so let's watch it in your free time.

[Betty:] Oh, wonderful! Thank you so much for your kindness, Ken.

最後に、問題③に入ります。問題③では、外国語指導助手のライビス先生が行った短いスピーチを放送します。放送を聞き、問題③の指示にしたがって答えなさい。このあと、20秒後に放送が始まりますので、それまで問題③の指示を読みなさい。それでは、始めます。英文は2回放送します。

Hello, everyone. I'm AL.T. Davis. Today, I'm going to tell you about an important thing for learning a foreign language. When I came to Yokohama last year, I could not speak Japanese. After two months in June, I found an interesting comic book at the bookstore. It was written in easy Japanese with many pictures. I remember each word in it was fun. When I talked with my Japanese students, I used the words from the book and they told my mistakes to me. That comic book and my Japanese students teach me Japanese. I think the most important thing for learning a foreign language is to enjoy studying. Thank you.
