Hello, everyone. Today is my last day at school. It has been a wonderful seven months. I knew several Japanese words when I came here early September last year, but I couldn't speak Japanese well. Everyone was very kind and helped me with a lot of things. It was so much fun to go to many places by train. I enjoyed the winter here because it doesn't snow in Australia. I remember that we cooked Japanese food together. I will make it for my family. I decided to come to Japan because I wanted to learn Japanese language and culture. I was glad when you said you wanted to know about my country, too. I will never forget the things I learned. Thank you, everyone. I hope I can meet you again in the future.
